Vietnamese pottery
A fragment of a castle
The sign
Turrets in the woods
Silence by the city
Hydroponics
Florentin Smarandache  
VIETNAM REGAINING THE SMILE
Building the future
Small things
Vietnamese underground
Vegetables
Fading out
Leaving Vietnam, dreaming back
The end of a journey, the beginning of a memory
This album is a photolog of a three-weeks-long scientific & touristic trip in Vietnam; a country that - in the last century - surpassed wars and uncertainty and unrest, being nowadays in the midst of a new battle: that of regaining the smile. The brave nation of Vietnam proves it again and again, more and more: this battle is won every day.
